Dear Friends,

It is with great excitement that I ask for your participation in the 1<sup>st</sup> Annual Western Regional Charolais Show scheduled to take place in Klamath Falls, OR on June 17-19, 2016. We were anxiously invited by Mr. and Mrs. Stilwell to host our show in conjunction with the Western Regional Limousin Show and Klamath All Breeds Jackpot Show.

The show will consist of a Junior Show on Friday, an Open Show on Saturday, as well as an exhibitor's banquet and benefit auction on Friday evening. The show will provide a much needed opportunity for the Charolais breeders in the west to come together at one central location. Not only is the show a very exciting opportunity to exhibit cattle, but it provides an event for all Charolais enthusiasts to come together and have a little FUN!!

We would greatly appreciate any monetary donation that your association could provide to help make the show a success.

Sincerely,

Western Regional Charolais Show Committee
